

Year 4 Homework Challenge – Spring 2nd 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is '**Rainforest Adventure**' and the following are all ideas that tie in with the topic:

<p><u>Food chain or web</u> Create a food chain or web that you would find in a rainforest. You can present this in any way you want. You might consider what would happen if one or more species were endangered or became extinct.</p>	<p><u>Model or Diagram</u> Create a model or diagram about photosynthesis, explaining the process and its products.</p>	<p><u>Create an information leaflet</u> Create a leaflet about the tribes living in the Amazon Rainforest and their way of life.</p>
<p><u>Food Investigation</u> Investigate the journey of food as it travels from the rainforest to our plates. Which foods come from the rainforest? How far does it travel? Is it sustainable?</p>	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p><u>Persuasive writing</u> Persuade people to use products without palm oil or write to a big company that use palm oil in their products as it is one of the key factors in deforestation.</p>

The challenge work for Term 2 is due in **Monday 19th March 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
