

Year 3

Homework Challenge – Spring 2nd 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is '**Arctic Explorers**' and the following are all ideas that tie in with the topic:

<p><u>Create a poster</u></p> <p>Think of as many symbols for each food type as possible, e.g. a seed could be a symbol of life and growth, a cake could be a symbol of a celebration, etc.</p>	<p><u>Model or Diagram</u></p> <p>Of a skeleton – this could be human or animal take your pick!</p>	<p><u>Create an information leaflet</u></p> <p>To explain about life in Canada and how the Inuit people live.</p>
<p><u>Write a song</u></p> <p>Think about the whaling songs that we have learnt in school and have a go at writing one of your own.</p>	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p><u>Make a 3D scene</u></p> <p>Try to make it show the story of the Reluctant Dragon by Kenneth Graeme</p>

The challenge work for Term 2 is due in **Monday 19th March 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
