Dear Parents and Carers,

We have had a challenging week with the weather and I would like to thank you for your support. Closing the school is the last thing we want to do however, we need to ensure the safety of our children, families and staff and if there is a risk to safety we have to make that decision.

The booking system for parents consultations will be available soon and we will give you all advance warning as per usual.

Keep warm and stay safe,

Mr N.Mindham (Headteacher)
