WNAT Mathematics overview 2025-26

Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
6	Place Value 4 operations Fractions	Fractions Converting units Ratio Algebra	Algebra Decimals Fractions, decimals & percentages Area	Area, perimeter & volume Statistics Shape Position & direction	Problem solving Week based on QLA	KS3 transition units Investigations
5	Place value Addition & subtraction Multiplication& division Fractions	Fractions Multiplication & division	Fractions Decimals & percentages	Perimeter & area Statistics Shape	Shape Position & direction	Decimals Negative numbers Converting units Volume
4	Place value Addition & subtraction Area	Area Multiplication & division	Length & perimeter Fractions	Fractions Decimals	Decimals Money	Time Shape Statistics Position & direction
3	Place value Addition & subtraction	Multiplication & division	Length & perimeter Fractions	Fractions Mass, capacity & temp	Fractions Money	Time Shape Statistics
2	Place value Addition & subtraction Shape	Shape Money Multiplication & division	Multiplication & division Height & length Mass, capacity & temp	Fractions Position & direction	Time Statistics Work based on problem solving and QLA	KS2 Transition units
1	Place value Addition & subtraction	Addition & subtraction Shape Place value	Addition & subtraction Place value Length & height Mass & volume	Mass and Volume Multiplication & division	Fractions Position & direction Place value	Multiplication and division Money Time
EYFS	Place value	Place value Addition & subtraction	Place value Addition & subtraction	Place value Addition & subtraction	Multiplication and division Measurement	Measurement Geometry
5/6	Place Value 4 operations Fractions	Fractions Converting units Ratio Algebra	Algebra Decimals Fractions, decimals & percentages Area	Area, perimeter & volume Statistics Shape Position & direction	Problem solving Week based on QLA	KS3 transition units Investigations
3/4	Place value Addition & subtraction Area	Multiplication & division	Length & perimeter Fractions	Decimals Capacity and Volume	Decimals Money	Time Shape Statistics Position & direction

1/2	Place value Addition & subtraction Shape	Shape Money Multiplication & division	Multiplication & division Height & length Mass, capacity & temp Fractions	Fractions Position and movement	Time Statistics	KS2 Transition units
2/3	Place value Addition & subtraction	Multiplication & division	Length & perimeter Fractions	Fractions Mass, capacity and temp	Fractions Money Time	Shape Statistics
Y4/5	Place value Addition & subtraction Multiplication& division Fractions	Fractions Multiplication & division	Fractions Decimals & percentages	Perimeter & area Statistics	Shape Position & direction	Decimals Negative numbers Converting units Volume
