

## Computing

### Information Technology Around Us

What is information technology? Where have we seen some technology at home?

### E-Safety

Privacy and security, using passwords to protect information and the meaning of private.

## Art & DT

### Colour

Primary, secondary, warm and cool colours. Monet - tints and shades. Klee - geometric shapes.

## Science

### Living things and the environment

Habitats, meadow habitats, underground habitats, rainforest habitats, desert habitats and plants.

## English

### Journey Tale

The Papaya that Spoke  
& Zeraffa Giraffa

### Recount

Local Hero Wins Medal  
& Traction Man

## P.S.H.E.

### Being me in my world

I understand the rights and responsibilities for being a member of my class and school. I listen to other people and contribute my own ideas about rewards and consequences.

## Geography

### Spatial sense

My school site, drawing a map of my school, maps of the local area and using maps to plan a route.

## R.E. - Christianity

### Christianity - What did Jesus teach

Know what kindness is. Know stories in the bible that show kindness: Good Samaritan, Jesus healing the paralysed man, sermon on the mount. How to show kindness in our lives.

## Year 2 - What your child will be learning about in Autumn 1st 2023

Dear Parents and Carers,

Welcome back after the summer break – we hope you all had a lovely time. This letter gives you information about what your child will be learning about during their first term in year 2 – lots of exciting things as you can see!

We will be planning a trip out soon and will keep you posted as information arises about it. As always, we are available to help and support as required – please send a message on Dojo if you want to arrange a meeting with a class teacher or if you have any queries. The new homework challenges will be sent out soon– we love seeing all the amazing things children create and can't wait to get started on them. This year, Mrs Payne will be teaching in Miss Long's class on a Tuesday and Miss King's class on a Wednesday, so anything relating to those days can be directed to her. We look forward to the year ahead and watching your children learn, develop and grow.

Miss Long, Miss King and Mrs Payne (Year 2 Teachers)

## Maths

Place Value  
Addition & Subtraction

## P.E.

Copying and performing actions, using dynamics, coordination, sharing ideas and decision making with others.
