Relationships

I understand why it is important to cooperate with people. I understand that some forms of physical contact are acceptable and some not. I know what causes conflict with others. I know that sometimes it is good to keep a secret and sometimes not. I know who can help me in my family, school and community.

Year 2 - What your child will be learning about in Summer 1st 2022

Dear Parents and Carers,

We are looking forward to another exciting half term!

In our Science unit our learning theme is Electricity, which includes lots of exciting experiments.

In Maths we are focusing on fluency and revision for our tests in May and would encourage all parents to support children at home with their homework or verbally listening to the children practising their times tables.
