There's a 'Rang-tan' in my
Bedroom—James Sellick

P.S.H.E.
Relationships

I can reflect on expectations for males and females. I can put into practice some of the skills of friendship. I can use strategies for keeping safe. I can explain how the work of people help my life. I understand how children around the world share my needs and rights.

Art & DT
Architecture

Understand architecture as the art of designing buildings,
Understanding symmetry and a line of symmetry as it applies to building,
Observe symmetry in the design of buildings.

Year 3 - What your child will be learning about in Summer 1st 2024

Dear Parents and Carers,

Thank you for all your support so far this academic year. We appreciate the engagement we have received with the homework challenges, Times Tables Rock Stars and reading together at home. This has such a positive impact on your child's learning.

This term will be another busy one with lots of interesting learning opportunities, including making sculptures in DT and exploring light in science. We are also looking forward to the visit from Paralympian Jordan Catchpole on Thursday 25th April. Thank you for the sponsorships that have been received so far.

Please do not hesitate to contact us if you have any questions.

Miss Whitford and Miss Pentney

Geography
Asia- Japan

Landscape and location, weather and climate, feudal Japan, Japanese culture, Japanese architecture, comparison of urban and rural Japan, natural resources and trade.

Science
