Introduction to landscape painting, Constable and Turner - different methods of landscape painting, painting in the style of Turner
Symmetry in art, Goldsworthy and symmetry.

Year 3 - What your child will be learning about in Spring 1st 2022

Dear Parents and Carers,

As we start the new calendar year in Year 3, we will continue to work hard on developing children's independence, it would be great if you could support this by giving children opportunities to use money (knowing if they have enough, how to calculate simple amounts of change and how to make amounts) as well as some basic skills such as learning to tie shoe laces and knowing their address and date of birth.

We will continue to push reading and multiplication tables really hard to develop a really good foundation of knowledge—we'll focus on the 3,4 and 8 times tables.

PE will continue on the same days. Thanks for your continued support.

Geography **Settlements**

Types of settlement including hamlet, village, town, city, settlements in the local area, compare and contrast settlements, population density in urban and rural areas, site and situation of settlements.

Science **Rocks, fossils and** **Soils**

Compare different types of rocks, investigate rock hardness, how fossils are made? What is soil, permeability.
