Relationships

I understand that there are different types of families. I can identify what being a good friend means to me. I know appropriate ways of physical contact to greet my friends. I know who can help me in my school. I can recognise my qualities as person and a friend.

Year 1 - What your child will be learning about in Summer 1st 2022

Dear Parents and Carers,

We look forward to another exciting term in Year 1, where we will be learning about lots of new things. Children have been reassessed for their Read, Write, Inc. so may be in new phonics groups for the next half term. This term we will be doing lots of exciting things, especially in Science where we will be looking at growing seeds in different environments. PE will still be on a Friday for Miss Ross' class and a Monday for Mrs Ridley/Miss Nowrung's class.

Kind regards,

Miss Ross, Mrs Ridley and Miss Nowrung
