Being Me In My World

Feeling special and safe in class. Understanding rights and responsibilities as a member of the class. Knowing our views are valued. Recognising our choices and understanding consequences.

Year 1 - What your child will be learning about in Autumn 1st 2021

Dear Parents and Carers,

A very warm welcome to year one. The children have settled brilliantly into class and are already producing some super work. We will be sending homework challenge books out on Monday and we will also be starting our RWI sessions so your child will receive their first reading book next week. A reminder that uniform should be named or labelled as we already have several jumpers in class waiting to be claimed. Weekly spellings will be sent out on a Monday and tested the following Monday. They will be simple words that will help support their writing in class.

If you have any questions or queries then please feel free to contact us via Class Dojo.

King Regards,

Miss Young, Mrs Ridley & Mrs Govett

Geography

Spatial Sense

Aerial views, maps, location compass points, drawing maps. What makes a good map?

Art & DT

Colour and Line

Colour, warm and cool colours, tints and shades, Miro's use of line and Klee's use of line

Science

The Human Body

Naming parts of the body, eyes and sight, ears and hearing, touch, taste and smell, understanding sensory impairment

Maths

Place Value
Addition
Subtraction

P.E.

Balancing, skipping, supporting and encouraging others, throwing and catching, communication

R.E. - Christianity

Creation Story

Know Creation Story, God's feelings about his world, how humans treat and care for the planet. How we can look after the planet.
