Year 2 - What your child will be learning about in Spring 2nd 2022

Dear Parents and Carers,

We are looking forward to another exciting half term and we are already in the process of planning a trip with details to follow shortly.

In our RE unit we will be learning about the Easter story in Christianity and will be creating our own Easter crafts.

The children will be continuing with RWI with many children moving to a higher group.

We would encourage all parents to listen to their children read the books we send home and we ask that they are returned every third day so they can be changed.
