I can tell you about my hopes and dreams. I know that reflecting on happy experiences can help me to counteract disappointment. I know how to set new goals even if I have been disappointed. I know the steps to take to achieve a goal.

Year 4 - What your child will be learning about in Spring 1st 2022

Dear Parents and Carers,

We have had a fantastic half term here in Year 4. We have really enjoyed reading The journey of Edward Tulane which produced some insightful questioning from the children. We look forward to learning all about Pirates after Christmas with our new text. Some of our favourite learning has been our production of outstanding landscape art, and immersing ourselves in the Roman empire including a successful trip to Peterborough museum. We very much look forward to extending our knowledge next term and hope we have some eager and excited learners after Christmas. As always, we thank you for your support and wish you a lovely Christmas break.
