

## Music

Learn songs and rhymes, clapping to the beat and rhythm. Learning about world music and playing metal instruments. We will be listening to 'What a Wonderful World' by Louis Armstrong.

## History

### Air, Land and Sea

Look at pictures and sort old/new vehicles. Begin to organise events using basic chronology, recognising that things happened before children were born.

## English

### Cumulative Story

Enormous Turnip

## P.S.H.E. Healthy Me

I can make a healthy choice. I can eat a healthy, balanced diet. I can be physically active. I know how to keep others and myself safe. I know how to be a good friend. I know how to keep calm in difficult situations.

## Art & DT Machinery

Observe and draw a real bike wheel with pencils and charcoals. Develop curved and straight lines with skill and control. Find some loose parts of bolts, screws, bits from machinery to arrange some simple structures with wire and sticks.

## Reception - What your child will be learning about in Spring 2nd 2022

Dear Parents and Carers,

We look forward to another fantastic and hopefully warmer half term. An exciting willow dome and tunnel have been assembled in our wild garden. This term we will be planting flowers and vegetables. We may get a little muddy so please bring in wellies and an all in one suit if they aren't already in school. We hope with the changing circumstances we can invite you into our outdoor environment. We are also planning on having visits from people who help us in the community, which we are all very excited about. In the next few weeks we look forward to making pancakes for Shrove Tuesday and learning about Easter.

Miss Daws and Miss Grummett

## Geography

What is a landscape?  
What can we see in our local landscape?  
How is this similar/different to Australia and Greece?  
Mountain rescue - what they do.  
Natural and man-made parts of the environment.  
Hot/cold climates.

## Science

### Transport and Moving

Compare forces used for movement in transport - e.g. hot air, wind power, pushing and pulling. Use magnets to explore forces and observe repulsion and attraction.

## R.E.—Christianity

What is Easter? The Easter Story - a Christian celebration. Palm Sunday. Jesus arrested, tried, died. Jesus' death and Resurrection.

## P.E.

1. Games
2. Fundamentals

## Maths

Addition and subtraction  
Number bonds to 10  
Part-part whole to 10  
Geometry  
2D and 3D shapes
