Year 2 - What your child will be learning about in Spring 1st 2022

Dear Parents and Carers,

We look forward to another exciting term! The children will be consolidating their learning and we will also be taking the children to the library, as well as organising another educational trip. We will be taking part in the big bird watch and will keep you updated.

When the children return in January they will be reassessed and will begin in their new RWI groups. Thank you for supporting your child with their reading at home.

Wishing you all a lovely Christmas break.
