## Year 5 - What your child will be learning about in Spring 2nd 2022

Dear Parents and Carers,

We are really looking forward to this exciting curriculum this half term. The children will carry out an in-depth study of the abolition of slavery. They will also investigate forces with lots of scientific experiments. In PSHE, the children will learn about looking after their health and body image.

Feel free to message us on Dojo if you need anything.

Best wishes,
