E-Safety

Online Bullying
(in Anti-Bullying Week)

Ways of being unkind online and how this makes others feel

History

Guy Fawkes

Identify a historical story from a long time ago;
Listen to a hot seated character and ask questions to unpick events around the fire;
Discuss how Guy Fawkes is represented

English

Cumulative Story

Three Little Pigs

P.S.H.E.

Celebrating Differences

Know that everyone is different; Include others when working and playing; Know how to help someone if they are being bullied; Try to solve problems; Try to use kind words; Give and receive compliments.

Art & DT

Weather Painting

Mixing colours to express the weather:
Raining, sunny.
Window influenced by Howard Hodgson

Science

Weather & Seasons

Identify the sun as a light source and discuss how clouds can block the sun;
Observe and interact with natural processes (e.g. snow, ice, hail)

Reception - What your child will be learning about in Autumn 2nd 2021

Dear Parents and Carers,

We look forward to another fantastic half term where we have lots of exciting opportunities planned. Our wild garden is going to be developed with the help of the children, to create an inspiring area where they can explore, make bug hotels, mini ponds and den making. During the first week, we welcome you to join us for a talk on early reading and how best to support your child. We are also planning on going out into the local area again to visit the Church and revisit the library. In the lead up to Christmas, we look forward to putting on a Christmas performance as well as taking part in many other festivities.

Geography

Light & Celebrations

Walk to a local church;
Drawing maps of journeys; Making 3D maps using small world/natural resources

Maths

Addition & Subtraction
Number & Place Value
Measurement

P.E.
