Dreams and Goals

I understand that I will need money to achieve some of my dreams. I can identify a job I would like to do when I grow up and understand what I need to do to achieve it. I can describe the dreams and goals of young people in a culture different to mine.

Art & DT

Art of the East

Introduction to Chinese art, Chinese Calligraphy, painting, porcelain, Ming ware, Europe and Chinese

Science

States of Matter

Compare and group states of matter, changing states of matter, research states of matter and how it changes using condensation, evaporation, freezing, boiling.

Year 5 - What your child will be learning about in Spring 1st 2022

Dear Parents and Carers,

We are really looking forward to teaching all of the content of the curriculum this half-term. Michael Morpurgo's Beowulf is a fantastic high-quality text that the children will be introduced to in English, alongside Gollum from Lord of the Rings. We will be continuing our study of matter, by looking at substances in their different states. The children will really enjoy learning about Chinese calligraphy and painting. The end product will be a painting in the style of Chinese porcelain. The children will also investigate their dreams and goals for the future and learn how to use excel spreadsheets.

If you have any questions about your child's learning please do not hesitate to contact us.

Best wishes,

Mrs L'Estrange and Miss Wyer
