## **Year 4 - What your child will be learning about in Autumn 2nd 2021**

Dear Parents and Carers,

We are excited to have many creative outcomes from our topics this term and for our children to learn lots of new and interesting facts. The children will be learning how to think like a professional in each subject. We have an exciting trip coming up this half term to Peterborough Museum for Roman day, information to follow. Please continue to encourage children to read at home and write in their diaries which book they have been reading. We will also be continuing to learn our times tables in class so please practice these at home.

Kind Regards, Year 4 Team
