Being Me In My World

Attitudes and actions make a difference to the class team; Understanding democracy; Understanding how groups come together to make decisions; Understand how democracy benefits us.

Year 4 - What your child will be learning about in Autumn 1st 2021

Dear Parents and Carers,

Welcome back after the summer break, hopefully we're all recharged and raring to go! This term, to help the transition into Key Stage 2, we will be encouraging our Year 4s to develop their independence in school and really work hard on their times tables and reading.

A reminder that our PE days are a Thursday afternoon for Mr Smallwood's class and Wednesday afternoon for Miss Crickett's class. Children will need to bring their PE kits into school in a separate bag in order to get changed in school before their lesson.

Homework will be set on Friday's to be completed for the following Friday and children will be tested on these spellings weekly. Please support us with reading, 5 times per week for 10 to 15 minutes is ideal. To begin to learn times tables, it's really helpful to get children to say the times table in full e.g. 'four times five is twenty' rather than simply say 5,10,15,20 etc.

Thanks for your support

Mr Smallwood and Miss Crickett.
