Year 3 - What your child will be learning about in Spring 1st 2025

Dear Parents and Carers,

Happy New Year and welcome back. Please find a list of all the exciting things your children will be learning this half term. We are really working on handwriting and presentation at the moment, so do encourage this where possible.

We will continue to push reading and multiplication tables really hard to develop a really good foundation of knowledge—we'll focus on the 3,4 and 8 times tables.

As ever, if there are any issues, please contact teachers on Dojo.

Thanks for your continued support, Mrs Payne and Miss King
