HISTORY

Anglo-Saxons, Scots and Vikings

How the Anglo-Saxons arrived in Great Britain.
Anglo-Saxon life.
The Vikings and their Long Ships.
The impact they had on our country.

ENGLISH

Portal Story

(Leon and the Place Between)

Losing and Finding Tale

(The Miraculous Journey of Edward Tulane)

P.S.H.E.

Being Me In My World

Attitudes and actions make a difference to the class team.

Understanding democracy;
Understanding how groups come together to make decisions.

ART

Light

Drawing dark and light
Painting dark and light
Painting a still life with acrylic, adding tints and shades

Year 4 - What your child will be learning about in Autumn 1st 2023

Dear Parents and Carers,

Welcome to Year 4 and the exciting curriculum we have planned for your children. They will be doing some amazing story writing based on the books listed above and they will also learn how to use maps and globes in our Geography lessons. They will produce some excellent artwork using their sketching and shading skills. There will be a particular focus on times tables this year and they will have fun using Times Tables Rockstars in the classroom and at home.

If you have any questions, don't hesitate to contact us.

Best wishes, Miss Williams and Mrs L'Estrange (Year 4 Class Teachers)

GEOGRAPHY

Spatial Sense

Globes and the Tropics Scale
Grid References
Maps of our Local Area
Changes over Time

SCIENCE

Classifications

Cold-blooded or warm-blooded
Vertebrates or Invertebrates
Classification Groups
