Year 2 - What your child will be learning about in Spring 1st 2024

Welcome back and a happy new year to you all!

We hope you all had a wonderful Christmas break. We have enjoyed welcoming your children back and look forward to learning about lots more exciting things over the coming weeks.

There is a trip booked for March, so details of that will be sent out soon, and the homework challenge presentations will be in the final week of half term.

As ever, please contact your child's teacher if there are any issues or queries.

Many thanks, Mrs Payne, Miss King, Ms Young
