Life cycles - the life cycle: birth, growth, reproduction, butterflies life cycle, amphibians life cycle, seasons and migration.

## Year 3 - What your child will be learning about in Autumn 1st 2021

Dear Parents and Carers,

Welcome back after the summer break, hopefully we're all recharged and raring to go! This term, to help the transition into Key Stage 2, we will be encouraging our Year 3s to develop their independence in school and really work hard on their times tables and reading.

A reminder that our PE days are a Tuesday afternoon for Mr Overton's class and Monday afternoon for Miss Gidding's class. Children will need to bring their PE kits into school in a separate bag in order to get changed in school before their lesson.

Homework will be set on Tuesday's to be completed for the following Tuesday and children will be tested on these spellings weekly. Please support us with reading, 5 times per week for 10 to 15 minutes is ideal. To begin to learn times tables, it's really helpful to get children to say the times table in full e.g. 'four times five is twenty' rather than simply say 5,10,15,20 etc.

Thanks for your support.

Mr Overton and Miss Giddings.

## Geography

### Spatial Sense

Maps, compasses and symbols, grid references, fieldwork and contrasting localities

## R.E. - Hinduism

### Hinduism

Know what a sense of belonging feels like, know the story of Rama and Sita. Know about Divali. Know what happens at home and in the temple of Divali.

## Maths

Place Value  
Addition & Subtraction

## P.E.

Collaboration and communication,  
Respect, Perseverance,  
respect and honesty.

## French

Greet and say goodbye to someone, ask someone's name and say your own. Ask how someone is and respond
