P.S.H.E.
Relationships

I can identify significant people in my life. I know the feelings we have when someone dies or leaves and understand the stages of grief. I understand the power of technology. I can use technology safely to communicate with my friends and family.

Art & DT
The Pre-Raphaelites

Introduction to Pre Raphaelite Brotherhood
Art & Values,
Comparison of Ophelia and Light of the World,
still life observations,
life drawings.

Year 6 - What your child will be learning about in Summer 1st 2024

Dear Parents and Carers,

We hope you all had a lovely Easter Break. This half-term we will continue with our learning in English based on Rose Blanche and will move onto Shakespeare. In Maths, children will be learning about the properties of shape and also look at problem solving skills ahead of their SATS. We will continue our learning on conflict and wars in History and look at The Cold War. In Science we look at the human body and in Geography, we move a bit closer to home and look at British geography.

If you need anything throughout this half-term then please let us know.

Mrs Rossiter and Mr Whiting.

Geography
British Geography

Wales, Scotland, England, local trade, local ports, trade, industry, natural resources, steel and coal production

Science
The Human Body

Human growth stages, adolescence and puberty, the human reproductive system, the endocrine system, glands, circulatory system.

Maths

Properties of Shape
Problem Solving

P.E.

Cricket

French

Rigolo 2 – Le sport
Talk about which sport you like, say what you think of different sports, give reasons for preference.

R.E. - Islam
Beliefs & Meaning

Philosophy Lens

Know what motivation means and how to live a good life, know Muslims believe after they die there will be a Judgement Day, to know Jihad means a personal inner struggle.
