

Year 1

Homework Challenge – Summer 2nd half term 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is **Food Glorious Food** and the following are all ideas that tie in with the topic. You may choose to do one or more of these activities.

 <p>Make a model of your favourite meal</p>	 <p>Look on food packets for weights in grams and kilogrammes</p>	 <p>Write your own food alphabet Can you find a food for every letter?</p>
 <p>Imagine you are a chef write a Menu for your restaurant</p>	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	 <p>Write your own version of a story involving a food e.g The Gingerbread man, Goldilocks... Try changing the type of food what might happen?</p>

The challenge work for Term 1 is due in **Monday 16th July 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their 'Challenge book'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support

Year 1 Team
