We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p>Copy or trace a world map and mark lines: equator, meridian, longitude, latitude.</p> 	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p>Research Baghdad today and compare and contrast it to Baghdad 900 CE. Write a short essay explaining your research.</p>

The challenge work for this half-term is due in **Monday 18th October 2021** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
