

Year 6 Homework Challenge – Autumn 1st 2023

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><u>RE</u></p> <p>Create a list of your own five pillars that link to your life and your life at school. Explain why each one is important and why you chose it. This can be completed as a poster or online.</p>	<p><u>Geography</u></p> <p>Create a labelled map of the world with all of the key lines and zones we have looked at in Geography over this half term.</p>	<p><u>History</u></p> <p>Create a labelled drawing of the three different ways (land, sea and air) in which World War One was fought. This can be a painting/drawing or use images from online.</p>
<p><u>Science</u></p> <p>Create a model atom with all of the key parts we have looked at in this unit.</p>	 <p>An activity of your choice. It should be linked to the topics we have been learning.</p>	<p><u>Art</u></p> <p>Create your own William Morris wallpaper print using flowers/plant designs.</p>

The challenge work for this half-term is due in on **Monday 16th October 2023** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
