

## Year 6 Homework Challenge – Spring 1<sup>st</sup> 2024

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><b><u>RE/Art</u></b></p> <p>Draw or create a model Buddha based on research and ones that we have looked at in class.</p>	<p><b><u>Geography</u></b></p> <p>Create a 3D model showing how a volcano is formed. You can use this diagram to help you.</p> 	<p><b><u>History</u></b></p> <p>Write a diary as if you were a Jewish person living in Germany during the Second World War. This could be a part of/a whole book and be made to look like it was from that time period or even hidden away!</p>
<p><b><u>Science</u></b></p> <p>Design/draw a model showing all the parts of a plant as it is growing (stem, flower, roots, petals, leaves).</p>	 <p>An activity of your choice. It should be linked to the topics we have been learning.</p>	<p><b><u>DT</u></b></p> <p>Create a moving fan model based on one of the designs we have been looking at in class.</p>

The challenge work for this half-term is due on Monday **12<sup>th</sup> February 2024** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.

Mrs Rossiter and Mr Whiting
