

Year 3 Homework Challenge – Summer 1st 2024

<p><u>The science task</u> Using an empty tube and a torch, can you make a shadow projector? There are many ideas online for this.</p>	<p><u>The geography task</u> Create a fact-file on Japan or anything Japanese – be as creative as you want; use Japanese writing; try some Japanese food or recreate some Japanese art.</p>	<p><u>The French task</u> Create a family tree and label your family members in French. You could personalise it and include photographs and pets too!</p>
<p><u>The Art task</u> We have been studying architecture – find an amazing building and draw it or make a model.</p>	<p><u>Activity of your choice</u></p>  <p>Complete an activity of your choosing linked to one of the topics we are learning.</p>	<p><u>Maths – Time</u> Create an analogue clock to practise telling the time. You could add Roman numerals to your clock too.</p>

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set. The challenge work for this half-term is due in **Monday 20th May 2024** with a showcase event for parents and carers to attend later that day to celebrate the work completed.

It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
