The challenge work for this half term is due in **Monday 16<sup>th</sup> October 2023** and during the week; there will be time for each child to present their work and for it to be celebrated.

It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
