

Year 6 **Homework Challenge – Autumn 2 2019**

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set. As we now have a knowledge based curriculum which focusses on individual subjects, your homework challenge will include an activity which will fit in with the topic you are learning about in that subject.

Design a commemorative item, such as a plate, flag, stamp, coin or tile to celebrate the centenary of women gaining the vote in 1918	Produce a fact file about a famous painting or painter from the Italian Renaissance. Artists such as Leonardo Da Vinci, Botticelli, Michelangelo or Raphael.	Draw a map of the North America showing the lines of Longitude, latitude, Arctic circle, Tropic of Cancer and time zones.
Use your knowledge of invertebrates and create a set of top trumps cards for mini-beasts found in your garden.	Write a biography about a member of the Suffragette Movement.	 <p>Create a piece art in the style of Michelangelo.</p>

The challenge work for Term 2 is due in week beginning **16th December 2019** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support
