Year 4
Homework Challenge – Spring 1st 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is **'Rainforest Adventure'** and the following are all ideas that tie in with the topic:

Use a shoebox to make a model of the rainforest and its layers.	Research about a specific animal from the Amazon Rainforest. Present the information in any way you want.	Create a non-fiction book about life in a rainforest; include information about the animals, food chains, tribes, other rainforests in the world and their climates.
Write a diary entry Imagine you are an explorer, deep in the Amazon jungle. What do you discover? Who do you meet?	An activity of your choice! Must be linked to our topic.	**Persuasive writing** Design a poster or booklet to persuade people to save the rainforest. Think about the ways that people can do this, for example by recycling paper.

The challenge work for Term 1 is due in **Monday 5th February 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book'*. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See http://www.learninglogs.co.uk/ for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
