

Year 2 Homework Challenge – Summer 1st 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is **A Bugs Life** and the following are all ideas that tie in with the topic. You may choose to do one or more of these activities.

<p>Make a model of a minibeast.</p> 	<p>Choose a minibeast and write a fact file about it..</p>	<p>Draw your own poster to encourage keeping the environment safe for animals.</p>
<p>Write a story about the adventures of a minibeast.</p>	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p>Design a maths game with a minibeast theme.</p> 

The challenge work for Term 1 is due in **Monday 21st May 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support

Year 2 Team
