

Year 5 Homework Challenge – Spring 1st 2022

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p>Create a 3D model of the Golden Temple, and write an explanation as to why Sikhs want to volunteer at the Langar show.</p> 	<p>Create a menu for café in French.</p>	<p>Create an information poster about solid, liquids and gases.</p>
<p>The physical features of East Anglia and Yorkshire and Humber side are the same.</p> <p>Agree or disagree?</p>	 <p>An activity of your choice. It should be linked to the topics we have been learning.</p>	<p>Paint a picture of the Battle of Waterloo and annotate it with key information.</p>

The challenge work for this half-term is due in **Monday 7th February 2022** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
