

**Year 3**  
**Homework Challenge – Spring 2<sup>nd</sup> 2022**

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><b><u>The Science Task</u></b> Create a model of the digestive system. You can either create a poster, or find some other creative way to show it!</p>	<p><b><u>The Geography Task</u></b> For our topic of rivers, can you create a map of a local river? Either the River Great Ouse or the Gaywood River would work!</p>	<p><b><u>The History Task</u></b> Create a fact file about King John. You can find a statue of him in town! Why is he important to Kings Lynn?</p>
<p><b><u>The French task</u></b> Create a poster of your favourite animals, and name and describe them in French.</p>	<p> Choose one of these tasks to complete for your homework challenge.</p>	<p><b><u>The Art Task</u></b> Create a painting of a mythological creature. You can choose a Greek creature (the Minotaur, Cerberus etc) or you can find/create your own.</p>

The challenge work for this half-term is due in **Monday 28<sup>th</sup> March 2022** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
