

Year 3

Homework Challenge – Autumn 2nd 2021

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

| | | |
|---|--|--|
| <p><u>The science task</u> As part of our work on the water cycle we will look at clouds – can you see how many types of cloud you can photograph and create a collage to show them?</p> | <p><u>The geography task</u> We're studying Western Europe – produce a fact file on a country or city in Western Europe. Can you persuade me to go there?</p> | <p><u>The history task</u> We're continuing with Ancient Greece finding out about Alexander the Great. Create a 3d papier-mâché map of Alexander the Great's empire.</p> |
| <p><u>The art and DT task</u> In DT we will be sewing – create your own piece of craftwork using your sewing skills.</p> |  <p>Choose one of these tasks to complete for your homework challenge.</p> | <p><u>The sporty task</u> We have cross country this half term. Can you go on any runs (with an adult) and record your time? You could even draw a map of your route.</p> |

The challenge work for this half-term is due in **Monday 13th December 2021** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
