We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><u>Choose an object to draw your own still life picture.</u> It could be fruit, flowers or anything you are inspired by.</p> 	<p><u>History</u> Make your own Roman helmet.</p> 	<p><u>English</u> Write your own set of instructions. It could be for making a cake, building a lego house or anything of your choice.</p>
<p>Can you make an exercise routine that you could teach your friends and teachers?</p> <p>Send us a video!</p> 	<p><u>Maths</u> Can you find different shapes in your local area? Record and label their properties (sides, corners etc)</p>  <p>pentagon hexagon star drop</p>	<p><u>RE</u> Make your own craft to celebrate Easter.</p> 

The challenge work for this half-term is due in **Monday 28th March 2022** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.
