

Year 3 Homework Challenge – Spring 2nd 2024

<p><u>The Science Task</u> Create a diagram of the human body and include as many amazing facts as you can find about it. Be creative with your diagram too!</p>	<p><u>The Geography Task</u> For our topic of rivers, you could create a map of our local river or you could create a model of the journey of a river.</p>	<p><u>The History Task</u> Create a fact file about King John. You can find a statue of him in town! Why is he important to Kings Lynn?</p>
<p><u>The French task</u> Create a poster of your favourite animals, then name and describe them in French.</p>	<p><u>Activity of your choice</u></p>  <p>Complete an activity of your choosing that links to our units.</p>	<p><u>Eco Challenge</u> Can you reuse some plastic items and create something different with it? How many different ways can you find to reuse plastics at home?</p>

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular Spellings and maths that are set. These challenges will be due in **Friday 22nd March 2024** and will be celebrated during a homework challenge showcase at the end of the day.

You can choose how you display your homework challenges! If you need any help with paper then please let us know and we would be happy to help.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
