Write down your best score and don't forget to take your heart rate before and after.</p> |

The challenge work for this half-term is due in **19th May 2023** and during the week there will be time for each child to present their work and for it to be celebrated.

All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.

Miss Williams and Mrs L'Estrange
