

## Year 5 Homework Challenge – Autumn 2<sup>nd</sup> 2021

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p>Create two comic strips of the Christmas Story by Matthew and Luke. Highlighting the key differences between the versions of the same event.</p>	<p>Create a poster to emphasise the importance of celebrating individual's differences.</p>	<p>Create a 3D model to demonstrate the components of an atom.</p> 
<p>Create a model of one of the mountain ranges we are learning about – The Alps, Himalayas, African or American mountains. Then, create a poster with facts to support your model.</p> 	 <p>An activity of your choice. It must be linked to the topics we have been learning.</p>	<p>Create a timeline of the British Monarchs from 1486 – 1800. Then create a fact-file about the British Empire during this time.</p>

The challenge work for this half-term is due in **Monday 13<sup>th</sup> December 2021** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
