

Year 4 Homework Challenge – Autumn 1st 2021

We are delighted to send you our ‘Homework Challenge’ for this half-term. This will run alongside the regular English and maths that are set.

<p><u>The science task</u> Create a colourful poster showing the difference between vertebrate and invertebrates.</p>	<p><u>The geography task</u> Create a map! It could be and old looking one or just one of somewhere local – try to put a grid on it so we can keep practising our grid references.</p>	<p><u>The history task</u> Design and create your own Roman shield – you can make it or paint it as a picture.</p>
<p><u>The art and DT task</u> Produce your own still life drawing or painting showing the light and dark areas – remember a still life is anything that doesn’t move.</p>	 Choose one of these tasks to complete for your homework challenge.	<p><u>The sporty task</u> Complete some team building challenges and write a newspaper article on how it went.</p>

The challenge work for this half-term is due in **Monday 18th October 2021** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their ‘Challenge book’. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
