

Year 2 Homework Challenge – Autumn 2nd 2021

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p>Create a habitat of a forest or an ocean.</p> 	<p>Can you buy something from the shops with notes or coins and work out how much change you will need?</p>	<p>Create a 3D model of a nativity scene. Can you retell the story? Who are the characters?</p>
<p>Find out about the stone age, bronze age or iron age. Present this as a fact file.</p>	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p>Perform your own Christmas rap! Remember to stay in time to the music!</p> 

The challenge work for this half-term is due in **Monday 13th December 2021** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
