

Year 5

Homework Challenge – Summer 2nd 2018

This term we have decided instead of setting a piece of challenge work weekly we will set a project each term based on our topic. This will run alongside the regular reading, spellings and maths that are set.

Our topic this term is '**Groovy Greeks**' and the following are all ideas that tie in with the topic:

<p><u>Ancient Greek Olympics</u></p> <p>Can you find out what the Olympics would have been like in Ancient Greek times? You could draw pictures or create a list of facts!</p>	<p><u>North Norfolk Railway</u></p> <p>Find out some information about the North Norfolk Railway and present this in poster!</p> 	<p><u>Make a shield!</u></p> <p>Find out what Ancient Greek shields were like and then have a go at creating your own!</p> 
<p><u>A Labyrinth</u></p> <p>Using your creative minds, can you produce a labyrinth out of Theseus and the Minotaur?</p> 	<p>An activity of your choice!</p>  <p>Must be liked to our topic.</p>	<p><u>Who Let The Gods Out</u></p> <p>Imagine that you are Bessie (the cow) and you've had a bit of an event with Virgo smashing through your roof! Write a letter to Virgo asking for her to repay any damages!</p>

The challenge work for Term 2 is due in **Monday 16th July 2018** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
