

## Year 5 Homework Challenge – Summer 1<sup>st</sup> 2022

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

|   |   |  |
|---|---|--|
| <p>Create a poster in French to advertise a holiday.</p>    | <p>Design and create your own invention. For example, the steam engine was created during the Industrial Revolution. Can you think of an even better invention?</p>             | <p>Research an interesting animal and write a fact-file about it. Including how the organism reproduces</p>  |
| <p>Create an interactive map of New Zealand.</p> <p>You can create an interactive map by using lift the flap etc.</p>  |  <p>An activity of your choice. It should be linked to the topics we have been learning.</p> | <p>Choose a story from the Guru Granth Sahib and create a comic strip to sequence the key events.</p>       |

The challenge work for this half-term is due in **Monday 23<sup>rd</sup> May 2022** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
