

Year 3 Homework Challenge – Autumn 1st 2023

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set. We would like to invite you in again to share the homework during the last week. Date to be confirmed.

<p><u>Growing.</u> Grow a bean and keep a log of how it changes and grows over time. Think carefully about what it needs.</p> 	<p><u>Ancient Egypt Models</u> Make a model of a pyramid, a pharaoh or a boat to sail down the River Nile.</p> 	<p><u>Your favourite book.</u> Choose your favourite book and present it to us, telling us why you like it and what it is about. Think about the plot, the characters and the setting.</p> 
<p><u>Our town.</u> Create a map, poster or leaflet of Kings Lynn and its landmarks. Research and find out its history and some fun facts!</p> 	<p>An activity of your choice!</p>  <p>Must be linked to our topic.</p>	<p><u>All about me.</u> Create a poster all about you! Think about what you are good at, what you would like to work on and your hopes and goals for this year.</p> 

The challenge work for this half-term is due in **Monday 16th October 2023** and during the week there will be time for each child to present their work and for it to be celebrated.

It is completely up to the children to decide how they want to record their homework. They could use photos, diagrams, drawings, models or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
