

Year 2 Homework Challenge – Autumn 1st 2023

We are delighted to send you our 'Homework Challenge' for this half-term. This will run alongside the regular English and maths that are set.

<p><u>Geography Task</u> Can you find a map and locate where you live and any place you'd love to visit?</p> 	<p><u>Science Task</u> Create an information poster about a habitat of your choice. E.g woodland, rainforest or ocean.</p> 	<p><u>Art Task</u> Create your own collage inspired by Henri Matisse.</p> 
<p><u>Writing Task</u> Write a postcard to someone of your choice telling them all about a journey you've been on.</p> 	<p><u>Wellbeing Task</u> This task is all about doing something that you enjoy and makes you feel calm.</p> 	<p><u>PSHE</u> Can you give yourself a role or responsibility at home and complete it regularly this term? This could be setting the table for dinner or tidying your room. Take pictures and send in via dojo!</p>

The challenge work for this half-term is due in **Monday 16th October 2023** and during the week there will be time for each child to present their work and for it to be celebrated.

We will send home a book for this work, should your child wish to use, which will be called their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
