

Year 1 Homework Challenge – Summer 1st 2022

We are going to be learning about lots of different topics and the following are all ideas that tie in with these:

Science- Plants

Can you grow some flowers, vegetables or herbs in your garden or in a pot on a windowsill?

Tell us what you have planted and any changes you notice.

Geography - continents

Make a map of the world, label the continents.

This could be 3d or 2d.
Be creative!

Maths

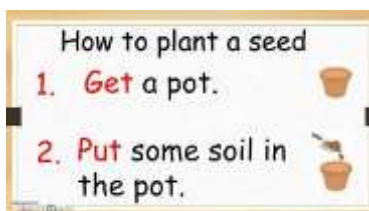

Share out sweets, pasta, cereal into equal groups. i.e share 20 sweets into 2 equal groups, share 10 pasta pieces into 5 equal groups.

Draw pictures to show what you have done.

Writing

Write some instructions. This could be how to make pancakes, how to plant a seed, how to wrap a present or an idea of your own.

PSHE- Relationships

Draw a picture and tell us about someone special to you. Who are they? Why are they important to you?

PE- Yoga

Complete a Cosmic Kids yoga session (just type this in on youtube) and let us know which session you completed and if you enjoyed it. ☺

The challenge work is due in **Monday 23rd May 2022** and during the week there will be time for each child to present their work and for it to be celebrated.

This work can be completed in their '*Challenge book*'. It is completely up to the children to decide how they want to record it. They could use photos, diagrams, drawings or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

See <http://www.learninglogs.co.uk/> for examples of how other children have recorded their work.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.
