Year 3 - What your child will be learning about in Spring 1st

Dear Parents and Carers,

We hope you have had an enjoyable break. We look forward to some interesting topics this half term across the whole curriculum, where we will build on things learned last half term, as well as cover brand new topics too.

Thank you for all of your support across the first full term, it was lovely to see you all getting involved in homework challenges and home learning. If you have any questions feel free to ask.

Many thanks,

Miss Young, Miss Grief and Mr Anthony
