The challenge work for this half-term is due in **Monday 9th February 2026**. We would like to invite you into school on **this day** for our Homework Showcase which will include a presentation of the children's home learning so that all work can be celebrated.

It is completely up to the children to decide how they want to record their homework. They could use photos, diagrams, drawings, models or something else! All we ask is that everyone has a go, so they all have something to share at the end of each half-term.

We are hoping the children will really enjoy this and we are looking forward to sharing their outcomes and interests. Please feel free to speak to us should you have any queries about this.

We thank you for your continued support.

Miss Whitford and Miss York.
