

Gaywood Primary School

Newsletter - 25th November 2021

Dear Parents and Carers,

Most of you will already read the recent Ofsted inspection report that measured us as good in all areas. I was extremely pleased that they acknowledged that 'Pupils have a rich educational experience at Gaywood Primary' and we enhance provision with wider opportunities, something that we have worked hard to provide since joining West Norfolk Academies Trust in June 2017.

It was also pleasing to note that the inspectors recognised that 'The school is a strong community' a testament to the work that children, parents and staff have been a part of over the years. Our aim is to provide the best educational experience for children and we will continue to work hard to ensure the standard remains high.

As we approach Christmas, we have been mindful to ensure that children experience the joys of the Christmas performance but we are also conscious that we want to avoid any outbreaks over the holiday period. To that end we will be recording our performances for you to all see on Class Dojo. I sincerely hope that puts you in the festive spirit.

I would like to take this opportunity to thank you for your continued support and for being a part of our school achieving 'good' in all areas of our inspection.

Kindest regards,
Mr Mindham

Ofsted

We are really proud to have received an Ofsted rating of '**Good**'. Please see the full report below.

[Gaywood Primary Ofsted Report - October 2021](#)

Christmas Lunch

Christmas lunch is taking place on **Thursday 16th December**. Please ensure you have booked the lunch via ParentPay if you wish for your child to have one.

Year 1 School Trip

Year 1 explored the history of our town while on their trip to King's Lynn Museum. Below you can see the children investigating how people of the past lived based upon their remains.

Friends of Gaywood Primary Bauble Competition

- Create/decorate a Christmas tree decoration (please be mindful of the size as these decorations will be hung on the school Christmas trees!)
- Return your design to your class teacher by 29th November 2021 at the latest
- Your design must have your name, year group and class teacher written on it

There will be one KS1 winner and one KS2 winner. Friends of Gaywood Primary (formerly PTA) will be announcing the winners during the first week of December.

Good luck & have fun!

Science Club

The science ambassadors have now started their weekly science club in the library. Here are a few photos from their first session where they were investigating and making 'Rocket Rats'
